## **Article 3 Loan to Local Borrower; Amounts Payable**

**Section 3.1 The Loan.** The Authority shall loan and disburse to the Local Borrower in accordance with this Article 3 an amount listed in Exhibit A (the “Loan”), and the Local Borrower shall borrow and accept from the Authority, the Loan in the principal amount determined pursuant to this Article 3; provided, however, that (i) the Authority shall be under no obligation to disburse any amount of the Loan if an Event of Default has occurred and is continuing under this Loan Agreement, and (ii) the amount to be disbursed shall be lawfully

available for disbursement. The Local Borrower shall use the proceeds of the Loan strictly in accordance with the requirements of this Loan Agreement.

**Section 3.2 Disbursements of Loan Proceeds.** The Authority may disburse funds by check, by electronic means or by means of magnetic tape or other transfer medium. Except as hereinafter provided, disbursements shall be made only when (i) the request for disbursements is in substantially the form provided by the Authority and is accompanied by the necessary certifications and documentation and (ii) an Authorized Officer of the Authority has determined that such disbursement is proper. An Authorized Officer of the Authority shall approve disbursements directly to the persons or entities entitled to payment or to the Local Borrower in the case of reimbursement for costs of services already paid, and shall provide the Local Borrower with a copy of the approval and the date approved. Disbursements may be made only for Eligible Project Costs.

**Section 3.3 Amounts Payable.** The Local Borrower shall pay to the Authority the amounts shown in Exhibit A on or before the dates shown in Exhibit A, as the same may be adjusted as provided in the Standard Terms and Conditions, to reflect any revisions to the principal repayment schedule of the Loan. Such payments shall be made by electronic funds transfer or by direct debit to the Authority.

**Section 3.4 Tax Covenants.**

(a) General. The Local Borrower acknowledges that, in connection with its state revolving fund programs, the Authority issues its bonds (“Authority Bonds”) from time to time to finance loans and the Authority also pledges certain loans to secure and to serve as the source of payment for the Authority Bonds. As a result, and under the provisions of federal tax law applicable to the Authority Bonds, it is in the Authority’s interest for the Loan to qualify and be an obligation that bears interest that is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the alternative minimum tax imposed on individuals and corporations under the Internal Revenue Code. Therefore, the Local Borrower represents and covenants as follows with respect to the Loan and the Authority Bonds. The Local Borrower covenants that it will not take any action, or fail to take any action, if any such action or failure to take such action would adversely affect the exclusion from gross income of the interest on the Loan or the Authority Bonds under Section 103(a) of the Internal Revenue Code or cause the interest on the Loan or the Authority Bonds to become an item of tax preference for purposes of the alternative minimum tax imposed on individuals and corporations under the Internal Revenue Code, and in the event of such action or omission, it will, promptly upon having such brought to its attention, take such reasonable actions based upon a bond counsel opinion as may rescind or otherwise negate such action or omission. The Local Borrower will not directly or indirectly use or permit the use of any proceeds of the Loan or any other funds of the Local Borrower or take or omit to take any action that would cause the Loan or the Authority Bonds to be or become “arbitrage bonds” within the meaning of Section 148(a) of the Internal Revenue Code or to fail to meet any other applicable requirement of Sections 103, 141, 148, 149 and 150 of the Internal Revenue Code or cause the interest on the Loan or the Authority Bonds to become an item of tax preference for purposes of the alternative minimum tax imposed on individuals and corporations under the Internal Revenue Code. To that

end, the Local Borrower will comply with all applicable requirements of Sections 103, 141, 148, 149 and 150 of the Code to the extent applicable to the Loan.

(b) Modification Based on Bond Counsel Opinion. Notwithstanding any provision of this Section, if the Local Borrower provides to the Authority a bond counsel opinion to the effect that any action required under this Section is no longer required, or to the effect that some further action is required, to maintain the exclusion from gross income of interest on the Loan or the Authority Bonds pursuant to Section 103(a) of the Internal Revenue Code, the provisions of this Section and the covenants in this Section shall be deemed to be modified to that extent.

(c) Bond Counsel Opinion. For purposes of this Section, “bond counsel opinion” means an opinion letter of a firm of attorneys of national reputation experienced in the field of municipal bonds whose opinions are generally accepted by purchasers of municipal bonds, and who is acceptable to the Authority.

IN WITNESS WHEREOF, the Authority and the Local Borrower have caused this Loan Agreement to be executed and delivered as of the date of execution hereof.

Section 7. **Notice of Construction Commencement.** The Local Borrower shall promptly notify the Authority immediately upon commencement of construction activities.

Section 8. **Notice of Non-Environmental Litigation.** Promptly after the commencement or overt threat thereof, Local Borrower shall provide the Authority with written notice of the commencement of all actions, suits, or proceedings before any court, arbitrator, or governmental department, commission, board, bureau, agency, or instrumentality affecting Local Borrower which, if adversely determined, could have a material adverse effect on the condition (financial or otherwise), operations, properties, or business of Local Borrower, or on the ability of Local Borrower to perform its obligations under the Loan Agreement.

Section 9. **Notice of Environmental Litigation.** Without limiting the provisions of Section 8 above, promptly after receipt thereof, Local Borrower shall provide the Authority with written notice of the receipt of all pleadings, orders, complaints, indictments, or other communication alleging a condition that may require Local Borrower to undertake or to contribute to a cleanup or other response under laws relating to environmental protection, or which seek penalties, damages, injunctive relief, or criminal sanctions related to alleged violations of such laws, or which claim personal injury to any person or property damage as a result of environmental factors or conditions or which, if adversely determined, could have a material adverse effect on the condition (financial or otherwise), operations, properties, or business of Local Borrower, or on the ability of Local Borrower to perform its obligations under the Loan Agreement.

Section 10. **Regulatory and Other Notices.** Promptly after receipt or submission thereof, Local Borrower shall provide the Authority with copies of any notices or other communications received from or directed to any governmental authority with respect to any matter or proceeding which could have a material adverse effect on the condition (financial or otherwise), operations, properties, or business of Local Borrower, or the ability of Local Borrower to perform its obligations under the Loan Agreement, or which reveals a substantial non compliance with any applicable law, regulation or rule.

Section 11. **Other Information.** The Local Borrower shall submit to the Authority other information regarding the condition (financial or otherwise), or operation of the Local Borrower as the Authority may, from time to time, reasonably request.

Section 12. **Additional Reporting Requirements.** No Additional Requirements.

## **Exhibit D Source of Repayment: System Revenues**

### **Section 1 Certain Definitions**

As used in this Loan Agreement, the following terms shall have the meanings set forth below unless the context clearly requires otherwise:

“Additional Parity Obligations” shall mean any additional obligations having a lien payable from Net Revenues of the System on a parity with the Loan Agreement which may hereafter be issued by the Local Borrower (or any financing conduit acting on behalf of the Local Borrower) in compliance with the terms in Section 3.

“Administrative Expenses” shall mean the reasonable cost or value of all services rendered by the Local Borrower and its various departments with respect to the System.

“Fund” shall mean the fund or funds into which the Local Borrower shall deposit the Revenues of the System.

“Net Revenues” shall mean that portion of the Revenues remaining after deducting sufficient funds for the Operation and Maintenance Expenses of the System.

“Operation and Maintenance Expenses” shall mean all costs reasonably incurred in connection with the operation, use and maintenance of the System, including (i) repairs necessary to keep the System in efficient and economical operating condition, (ii) the payments of premiums for insurance hereinafter required to be carried on the System, (iii) payments of reasonable Administrative Expenses and (iv) generally all expenses of the System except depreciation, interest expense related to the Loan Agreement, any Outstanding Parity Obligations, any Additional Parity Obligations, and interest expenses on any obligations subordinate to such obligations.

“Outstanding Parity Obligations” shall mean obligations issued and outstanding having a lien payable from Net Revenues of the System on a parity with the Loan Agreement.

“Revenues” shall mean and include all income, moneys and receipts to be received by the Local Borrower, directly or indirectly, from the ownership, use or operation of the System including any waste material or by-products of the System, and also including investment income.

### **Section 2 Source of Repayment and Rate Covenant Provisions**

1. It is understood and agreed that all payments with respect to the Loan shall be made only from the Source of Repayment, which is hereby pledged to the payment of all amounts due under the Loan. The “Source of Repayment” is the Net Revenues of the System as hereinafter provided. The Net Revenues are hereby pledged by the Local Borrower to the payment of all amounts due under the Loan and the repayment of such amounts shall be secured by a lien on and pledge of the Net Revenues on parity with the pledge and lien granted by the Local Borrower for the payment and security of Outstanding Parity Obligations and Additional Parity

Obligations. The amounts due under this Loan Agreement and any Outstanding Parity Obligations and Additional Parity Obligations (exclusive of the Local Borrower's repayment obligations with respect to those reserve fund credit instruments in connection with this Loan and any Additional Parity Obligations which shall be secured on a subordinate basis), shall be equally and ratably secured by said pledge and lien without one having priority over the other. The Local Borrower intends that this pledge shall be a prior and paramount lien on and a first pledge of the Net Revenues, as will be sufficient to make all payments on the Loan, and the Local Borrower covenants to make the payments under the Loan from the Net Revenues, except to the extent that it chooses to make such payments from other legally available funds at its sole option. In no event shall the Local Borrower be required to make the payments on the Loan from any revenues, receipts or sources not derived from the Net Revenues of the System.

2. The Local Borrower covenants and agrees that it will establish and maintain schedules of rates, fees and charges for all services supplied by the System which, after making reasonable allowance for contingencies and errors in estimates, shall produce Revenues in each fiscal year that are sufficient, (a) to pay the Operation and Maintenance Expenses of the System, (b) to produce an aggregate amount of Net Revenues equal the sum of (i) one hundred twenty percent (120%) of the aggregate of the debt service or comparable payments payable on the Loan, the Outstanding Parity Obligations, and any Additional Parity Obligations in such fiscal year, and (ii) one hundred percent (100%) of the aggregate of the debt service on comparable payments, separately payable and secured on a basis subordinate to the Loan by Net Revenues, and (c) to maintain all necessary fund balances required under the resolutions or agreements of the Local Borrower authorizing the Loan, the Outstanding Parity Obligations, and Additional Parity Obligations.

### **Section 3 Additional Parity Obligations**

The Local Borrower covenants and agrees that no other obligations of any kind will be issued that are payable from or enjoy a pledge of the Net Revenues having priority over the Loan.

It is understood and agreed that Additional Parity Obligations having a lien upon and payable from the Net Revenues may be issued on parity with the Loan, but only as provided herein and only to provide funds to make improvements and expansions to the existing System, to purchase capacity rights in sewage treatment plant facilities owned by other political subdivisions of the State, to purchase capacity rights in water treatment plant facilities owned by other political subdivisions of the State, to acquire land, rights in land or water rights for the System, to provide reasonable reserves for Outstanding Parity Obligations and Additional Parity Obligations, to refund Outstanding Parity Obligations and Additional Parity Obligations or the Loan or to refund other bonds of the Local Borrower, if any, whether revenue bonds, general obligation bonds or other bonds or obligations, issued to provide funds to construct or acquire additions, extensions, improvements, expansions or replacements to the System, subject to the following conditions:

(a) The Local Borrower will not, at the time of the issuance of such Additional Parity Obligations, be in default under any Outstanding Parity Obligations, Additional Parity Obligations, the Loan or under any resolution related thereto or providing for the issuance of Additional Parity Obligations or any related credit or reserve fund credit instrument;

(b) The issuance of Additional Parity Obligations will be duly authorized at an election, if required by law, except as to any bonds or obligations to be issued exclusively for the purpose of refunding any Outstanding Parity Obligations and Additional Parity Obligations or the Loan;

(c) The issuance of Additional Parity Obligations will be provided for by a resolution duly adopted by the Local Borrower's governing body and such Additional Parity Obligations will mature and interest will be paid on the same days of the year as Outstanding Parity Obligations and Additional Parity Obligations; and

(d) The Reserve Requirement (as defined in Exhibit E), as computed for the amount of Additional Parity Obligations to be issued, shall be available in the Reserve Fund (as defined in Exhibit E) in one of the following ways: (i) Additional Parity Obligation proceeds shall be immediately deposited to the Reserve Fund, or a separate account as may be required, in an amount equal to the increased Reserve Requirement, if any, for the Additional Parity Obligations, or a Reserve Fund surety acceptable to the Authority shall be purchased in such amount; or (ii) Additional Parity Obligations, or any other revenues of the Local Borrower lawfully available to be used for such deposit, may be deposited to the Reserve Fund in equal monthly deposits such that the Reserve Requirement for such Additional Parity Obligations shall be satisfied not more than four years from the date of delivery of such Additional Parity Obligations; or (iii) any combination of (i) and (ii). The Reserve Fund may be divided into separate and discrete subaccounts each pledged to different Additional Parity Obligations provided that each Additional Parity Obligation Reserve Requirement is satisfied in one of the foregoing manners; and

(e) the aggregate amount of the Net Revenues of the System for the last full fiscal year immediately preceding the issuance of such Additional Parity Obligation, as shown in a certificate or report of an independent public accountant or firm of such accountants presented to the Authority, has been at least equal to the sum of the following: (i) not less than one hundred twenty percent (120%) of the highest year's debt service or comparable payments on all of the Outstanding Parity Obligations, the Loan, and the Additional Parity Obligations then to be issued, and (ii) not less than one hundred percent (100%) of the aggregate of amounts payable in such fiscal year and secured on a subordinate basis by such Net Revenues and (iii) not less than one hundred percent (100%) of any additional amounts required to maintain or fund necessary fund balances under the resolutions or agreements of the Local Borrower relating to the obligations described in (i).

For the purposes of the subparagraph (e), additional amounts may be added to the Net Revenues as shown on the accountant's certificate or report in the following circumstances:

(1) If the Revenues have been increased as a result of construction of additions or acquisitions to the System made prior to the issuance of such Additional Parity Obligations but during either the fiscal year in which the Additional Parity Obligations are to be issued or in the preceding fiscal year, such increased Revenues may be treated as if such additions to the System were completed on the first day of the fiscal year used for purposes of computation. The Revenues derived from such additions and acquisitions to the System may

be converted for purposes of computation to estimated Net Revenues which would have been derived therefrom if said additions and acquisitions had actually been completed on the first day of the year used for computation purposes, such estimates to be made by a professional firm experienced in estimating future revenues and expenses of water and sewer systems and having a recognized reputation for that work.

(2) If all or part of the proceeds of the Additional Parity Obligations are to be expended for the acquisition of existing water properties or facilities, there may be added to the Net Revenues of such preceding fiscal year the Net Revenues which would have been derived from the operation of such properties or facilities if such properties or facilities had been acquired and operated by the Local Borrower under the Local Borrower's applicable rate schedule during the entire preceding fiscal year, such Net Revenues to be estimated by a professional firm experienced in estimating future revenues and expenses of water and sewer systems and having a recognized reputation for that work.

(3) If prior to the issuance of the Additional Parity Obligations and subsequent to the first day of such preceding fiscal year, the Local Borrower shall have increased its rates or charges imposed for water services, there may be added to the Net Revenues of such fiscal year the additional Net Revenues which would have been received from the operation of the System during such fiscal year had such increase been in effect throughout such fiscal year, such additional Net Revenues to be estimated by a professional firm experienced in estimating future revenues and expenses of water and sewer systems and having a recognized reputation for that work.

For purposes of calculations under this subparagraph (e), if Additional Parity Obligations are to be issued exclusively for the purpose of refunding or retiring a portion of Outstanding Parity Obligations or this Loan, for the purpose of the calculation required under this subparagraph (e), the percentage requirement on such obligations will be taken into consideration only in any future fiscal year in which any fractional part of such obligations will remain outstanding after the issuance of such Additional Parity Obligations; provided that nothing herein contained shall be construed to limit or restrict the issuance of any Additional Parity Obligations if, before or as a result of the issuance and delivery of such Additional Parity Obligations, any other obligations theretofore issued will no longer be outstanding, or full payment for any such obligations will be provided for by funds from the bond or obligation proceeds.

The Local Borrower shall not be required to either (i) provide a Reserve Fund Surety or (ii) fund a Reserve Fund in cash in connection with this Agreement.

This document sets forth Standard Terms and Conditions applicable to the Loan made by the WATER INFRASTRUCTURE FINANCE AUTHORITY OF ARIZONA (the “*Authority*”) to the Local Borrower. These Standard Terms and Conditions are a part of the Loan Agreement to which this document is attached. Certain terms used herein are defined in Article 8.

## **Article 1 Covenants of the Local Borrower Relating to the System and the Project.**

Section 1.1 **Operation and Maintenance of System.** The Local Borrower covenants and agrees that it shall, in accordance with prudent utility practice, (a) at all times operate the properties of the System and any business in connection therewith in an efficient manner, (b) maintain the System in good repair, working order and operating condition, and (c) from time to time make all necessary and proper repairs, renewals, replacements, additions, betterments and improvements with respect to the System so that at all times the operations carried on in connection therewith shall be properly and advantageously conducted from revenues of the System or, if the Local Borrower so elects, from any other source of funds lawfully available.

Section 1.2 **Additions and Modifications.** The Local Borrower may make any additions, renewals, replacements, modifications or improvements to the System which it deems desirable and which do not materially reduce the operational integrity of any part of the System. All such renewals, replacements, additions, modifications and improvements shall become a part of the System.

Section 1.3 **Disposition of Project and System.**

(a) The Local Borrower shall not sell, lease, abandon or otherwise dispose of all or substantially all or any substantial portion of the Project or the System except upon compliance with the provisions of this Section; provided, however that the requirements of this Section shall not apply to transactions which are capital leases within the meaning of generally accepted accounting principles to finance expansion or improvement of the System and under which the Local Borrower maintains a purchaser’s interest or other beneficial ownership, use, possession and control of the System so long as no default exists.

(b) The Local Borrower may sell, lease, abandon or otherwise dispose of all or substantially all or any substantial portion of the Project or the System if the Local Borrower shall give at least ninety (90) days’ prior written notice to the Authority of the proposed transaction, and the Authority gives its written consent which shall not be unreasonably withheld. The Local Borrower understands that the Authority, in determining whether or not to give its consent, must determine that the proposed transaction will not adversely affect the Authority’s ability to meet its duties, covenants, obligations and agreements or conditions of any grant received by the Authority or the State from the United States of America, which is related to the Capital Grant Facility or any capitalization grants received by the Authority or the State under the Federal Water Pollution Control Act, as amended, and the Federal Safe Drinking Water Act, as amended.

(c) Notwithstanding the provisions of subsection (b) above, the Local Borrower may sell, lease or otherwise dispose of, any of the property comprising part of the System without prior notice to or the consent of the Authority, other than the Project, in either of the following circumstances:

(i) If the Local Borrower determines that such property is not necessary, useful or profitable to the operation of the System; or

(ii) If the value of such property sold, leased or otherwise disposed of in any one year is equal to not more than 5% of the value of the fixed assets of the System.

Section 1.4 **Cost of Project.** The Local Borrower certifies that the estimated Eligible Project Costs as listed in Section 1 of Exhibit B is a reasonable and accurate estimation of the Eligible Project Costs and, upon the direction of the Authority the Local Borrower will supply the Authority with a certificate from its engineer stating that such estimated Eligible Project Costs is a reasonable and accurate estimation.

## **Article 2 Additional Covenants of the Local Borrower**

Section 2.1 **Unconditional Obligations.** The obligation of the Local Borrower to make the Loan Repayments and the obligation to perform and observe the other duties, covenants, obligations and agreements on its part described herein are payable solely from the Source of Repayment described in this Loan Agreement and shall be absolute and unconditional and shall not be abated, rebated, set-off, reduced, abrogated, terminated, waived, diminished, postponed or otherwise modified in any manner or to any extent whatsoever, while any payments hereunder remain unpaid, regardless of any contingency, act of God, event or cause whatsoever, including (without limitation) any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, the taking by eminent domain or destruction of or damage to the Project or the System, commercial frustration of the purpose, any change in the laws of the United States of America or of the State or any political subdivision of either or in the rules or regulations of any governmental authority, any failure of the Authority to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with the Project or this Loan Agreement, or any rights of set-off, recoupment, abatement or counterclaim that the Local Borrower might otherwise have against the Authority or any other party or parties; provided, however, that payments under this Loan Agreement shall not constitute a waiver of any such rights. The Local Borrower shall not be obligated to make any payments required to be made by any other local borrowers under separate loan agreements or local borrower bonds. Notwithstanding any other provision of this Section 2.1, or this Loan Agreement, neither the Authority, nor any assignee of the Authority shall have the right or ability to compel the repayment of this Loan Agreement from any source other than the Source of Repayment.

Section 2.2 **Performance Under Loan Agreement.** The Local Borrower covenants and agrees (a) to maintain the System in good repair and operating condition; (b) to cooperate with the Authority to the extent it may lawfully do so, in the observance and performance of the respective duties, covenants, obligations and agreements of such Local Borrower and the Authority under this Loan Agreement; and (c) to comply with the covenants set forth in this Loan Agreement.

Section 2.3 **Disclaimer of Warranties.** The Local Borrower acknowledges and agrees that (i) the Authority makes no warranty or representation, either express or implied as to the value, design, condition, merchantability or fitness for particular purpose or fitness for any use of the System or the Project or any portions thereof or any other warranty or representation with respect thereto; (ii) in no event shall the Authority or its respective agents be liable or responsible for any direct, incidental, indirect, special or consequential damages in connection with or arising out of this Loan Agreement or the Project or the existence, furnishing, functioning or use of the System or the Project; and (iii) are not intended to and shall not be construed as a waiver of any defense or limitation on damages provided for under and pursuant to the laws of the United States or of the State.

Section 2.4 **Loan Repayments; Prepayments; Providing for Payment of the Loan.**

(a) Loan Repayments.

(i) The Local Borrower shall pay to the Authority the amounts set forth in the Loan Repayment Schedule contained in Exhibit A on or before the due dates shown in Exhibit A.

(ii) Each payment made as a Loan Repayment as described in subsection (i) shall be applied first to the combined interest and fee payment then due and payable on the Loan and then to the principal amount of the Loan.

(iii) In addition to the other payments required by this Section, the Local Borrower shall pay a late charge for any payment that is received by the Authority later than the tenth day following its due date, in an amount equal to six percent per annum of the amount of the late payment from its due date to the date it is actually paid; provided, however, that the combined interest and fee rate payable on the Loan including such late charge shall not be in excess of the maximum rate permitted by law or any proceedings or resolution authorizing the execution of this Loan Agreement.

(iv) Upon the final disbursement, if the Loan amount is less than the estimated Eligible Project Costs, the amount of each Principal Installment due as set forth in the Loan Repayment Schedule contained in Exhibit A shall be adjusted to achieve substantially level debt service, and the Authority shall compute the adjusted combined interest and fee amounts to reflect the adjusted principal amounts and shall enter the results in a revised Loan Repayment Schedule delivered to the Local Borrower.

(b) Prepayments. The Loan is not subject to prepayment prior to the tenth anniversary of the final loan draw. The Local Borrower may prepay the Principal Repayment Amount of the Loan in whole or in part in advance of the due dates on or after the tenth anniversary of the final loan draw without penalty upon written notice delivered to the Authority at least 60 days prior to the prepayment date. If the Local Borrower prepays the Repayment Principal Amount in part, the amount of each Principal Installment due as set forth in the Loan Repayment Schedule contained in Exhibit A shall be adjusted to achieve substantially level debt service. Upon such adjustment, the Authority shall compute the adjusted combined interest and fees amounts to reflect the adjusted principal amounts and shall enter the results in the Loan Repayment Schedule with notice to the Local Borrower.

(c) Providing for Payment of the Loan. The Local Borrower may at any time provide for the payment and discharge of the Loan, as provided in this subsection. The Loan shall be deemed to have been paid and discharged if:

(i) the Local Borrower has delivered to the Authority proof satisfactory to the Authority that the Local Borrower has deposited with a financial institution acceptable to the Authority, in trust for and irrevocably committed to payments on the Loan, cash or non-callable direct obligations of the United States of America (including obligations issued or held in book entry form on the books of the Department of Treasury of the United States of America) and obligations of any agency or instrumentality of the United States of America the timely payment of the principal of and interest on which are unconditionally guaranteed by the United States of America, which are of such maturities and interest payment dates, and bear such interest, as will be sufficient together with any moneys also deposited, without further investment or reinvestment of either the principal amount or the interest earnings (which earnings are to be held likewise in trust and so committed), to pay all the amounts due under the Loan, as set forth in the Loan Repayment Schedule contained in Exhibit A, as evidenced in a report of an independent firm of nationally recognized certified public accountants addressed to and delivered to the Authority; and

(ii) the Authority has received a bond counsel opinion (as described in Section 6.2(b) and (c) below) to the effect that the deposit of funds and the investment of such deposit, as described in the preceding paragraph, will not, by itself, adversely affect the exclusion from gross income of interest on the Loan or any Authority Bonds for federal income tax purposes.

Section 2.5 Source of Repayment of Local Borrower's Obligations and Pledge. The Local Borrower irrevocably pledges the Source of Repayment described in this Loan Agreement for the punctual payment of all amounts due under the Loan Agreement. The Authority and the Local Borrower agree that the amounts payable by the Local Borrower under this Loan Agreement are payable solely from the Source of Repayment described in this Loan Agreement and are not payable from any other source whatsoever, unless the Local Borrower chooses to pay, and pays, any amount due hereunder from any other source lawfully available to it.

Section 2.6 Insurance. The Local Borrower shall maintain or cause to be maintained in force, insurance policies with responsible insurers or self-insurance programs or through membership in a risk retention pool, including, but not limited to, the Arizona Municipal Risk Retention Pool (in accordance with the Local Borrower's customary practices) providing against risk of direct physical loss, damage or destruction of the Project and the System, at least to the extent that similar insurance is usually carried by utilities constructing, operating and maintaining system facilities of the nature of the System, including liability coverage, all to the extent available at reasonable cost.

Section 2.7 No Liens. Except for:

(a) the debt service on any future bonds, notes or other evidence of indebtedness of the Local Borrower issued or contractual obligations incurred in accordance with this Loan Agreement payable from the funds pledged to the payment of this Loan Agreement which are on parity with the lien and charge on the funds so pledged to pay this Loan Agreement and

(b) as provided in Exhibit D of this Loan Agreement, the debt service on currently outstanding bonds, notes or evidences of indebtedness or contractual obligations of the Local Borrower, if any, payable from the Source of Repayment described in Exhibit D of this Loan Agreement which the Local Borrower has disclosed to the Authority in writing,

the funds so pledged as described in this Loan Agreement after the payment of all costs of operating and maintaining the System, are and will be free and clear of any pledge, lien, charge or encumbrance thereon or with respect thereto which are prior to, or of equal rank with, the obligation of the Local Borrower to pay this Loan Agreement, and all corporate or other action on the part of the Local Borrower to that end has been and will be duly and validly taken.

Section 2.8 **Disadvantaged Business Enterprises**. As applicable, the Local Borrower shall comply with 40 C.F.R. Part 33<sup>1</sup> including but not limited to:

Local Borrowers and their prime contractors must follow, document, and maintain documentation of their good faith efforts as listed below to ensure that Disadvantage Business Enterprises (DBEs) have the opportunity to participate in the project by increasing DBE awareness of procurement efforts and outreach.

(a) Ensure DBEs are made aware of contracting opportunities to the fullest extent practicable through outreach and recruitment activities; including placing DBEs on solicitation lists and soliciting them whenever they are potential sources.

(b) Make information on forthcoming opportunities available to DBEs and arrange time frames for contracts and establish delivery schedules, where the requirements permit, in a way that encourages and facilitates participation by DBEs in the competitive process. This includes, whenever possible, posting solicitation for bids or proposals for a minimum of 30 calendar days before the bid or proposal closing date.

(c) Consider in the contracting process whether firms competing for large contracts could be subcontracted with DBEs. This will include dividing total requirements when economically feasible into smaller tasks or quantities to permit maximum participation by DBEs in the competitive process.

(d) Encourage contracting with a consortium of DBEs when a contract is too large for one of these firms to handle individually.

(e) Use the services and assistance of the Small Business Administration and the Minority Business Development Agency of the U. S. Department of Commerce.

(f) If the prime contractor awards subcontracts, require the prime contractor to take the steps in sections (a) through (e) above.

These conditions must be included in all procurement contracts entered into by the Local Borrower for all DWRF and CWRP projects:

(a) The prime contractor must pay its subcontractor for satisfactory performance no more than 30 days from the prime contractor's receipt of payment from the owner.

(b) The prime contractor must notify the owner in writing prior to the termination of any Disadvantage Business Enterprise subcontractor for convenience by the prime contractor.

(c) If a Disadvantage Business Enterprise contractor fails to complete work under the subcontract for any reason, the prime contractor must employ the six good faith efforts if soliciting a replacement contractor.

---

<sup>1</sup> See Article 9 for a full list of applicable federal laws and authorities relating to Participation by Disadvantaged Business Enterprises in Procurement Under Environmental Protection Agency (EPA) Financial Assistance Agreements.

(d) The prime contractor must continue to employ the six good faith efforts even if the prime contractor has achieved its fair share objectives.

(e) The prime contractor must provide EPA Form 6100-2 DBE Program Subcontractor Participation Form to all of its Disadvantaged Business Enterprise subcontractors. Disadvantaged Business Enterprise subcontractors may send completed Form 6100-2 directly to the Region 9 DBE Coordinator listed below.

**Joe Ochab, EPA Region 9, 75 Hawthorne St. (P-22), San Francisco, CA 94105**

(f) The prime contractor must have its Disadvantaged Business Enterprise subcontractors complete EPA Form 6100-3 – DBE Program Subcontractor Performance Form. The prime contractor must include all completed forms as part of the prime contractor’s bid or proposal package to the Local Borrower.

(g) The prime contractor must complete and submit EPA 6100-4 DBE Program Subcontractor Utilization Form as part of the prime contractor’s bid or proposal package to the Local Borrower.

(h) A Local Borrower must ensure that each procurement contract it awards contains the following terms and conditions:

The contractor shall not discriminate on the basis of race, color, national origin or sex in the performance of this contract. The contractor shall carry out applicable requirements of 40 CFR Part 33 in the award and administration of contracts awarded under EPA financial assistance agreements. Failure by the contractor to carry out these requirements is a material breach of this contract which may result in the termination of this contract or other legally available remedies.

**Article 3 Representations of Local Borrower**

The Local Borrower represents for the benefit of the Authority that the representations contained in this Loan Agreement are true at the time of execution and delivery of this Loan Agreement and, other than with respect to events outside of Local Borrower’s control, will be true in all material respects at all times during the term of this Loan Agreement.

Section 3.1 **Organization and Authority.**

(a) The Local Borrower is a Political Subdivision or Indian Tribe as defined in the Authority Act.

(b) The Local Borrower has full legal right and authority and has, or will obtain as and when required, all necessary licenses and permits required to acquire, own, operate and maintain the Project and the System, to carry on its activities relating thereto, to execute and deliver this Loan Agreement, to undertake and complete the Project, to pledge the Source of Repayment, and to carry out and consummate all transactions contemplated by this Loan Agreement. The Project is a project which the Local Borrower may undertake pursuant to State law and for which the Local Borrower is authorized by law to borrow money.

(c) The proceedings of the Local Borrower’s governing body approving this Loan Agreement and authorizing its execution, issuance and delivery on behalf of the Local Borrower, and authorizing the Local Borrower to undertake and complete the Project have been duly and lawfully adopted in accordance with the laws of the State.

Section 3.2 **Full Disclosure.**

(a) To the best of the Local Borrower's knowledge, there is no fact that the Local Borrower has not disclosed to the Authority in writing that materially adversely affects the properties, activities, prospects or condition (financial or otherwise) of the Local Borrower or the System, or the ability of the Local Borrower to make all Loan Repayments due hereunder and otherwise observe and perform its duties, covenants, obligations and agreements under this Loan Agreement.

(b) The information relating to the Local Borrower (including without limitation the financial and statistical data contained therein) submitted to the Authority by the Local Borrower in connection with the Authority's approval of the Loan was at the time of the Authority's approval of the Loan and at all times subsequent thereto up to and including the Loan Closing, will be (if necessary by amendment provided by the Local Borrower) true and correct and will not contain an untrue statement of material fact or omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading in any adverse respect. To the extent permitted by law, and notwithstanding any other provision of this Loan Agreement, the Local Borrower will indemnify, save and hold harmless the Authority, and each of the Authority's agents, for, from and against any and all claims, damages, liability and court awards including costs, expenses and reasonable attorneys' fees incurred as a result of any omission or misstatement of material fact in the information submitted to the Authority by the Local Borrower in connection with the Authority's approval of the Loan, as it may have been supplemented and amended by the Local Borrower.

Section 3.3 **Pending Litigation.** There are no proceedings pending, or to the knowledge of the Local Borrower, threatened, against or affecting the Local Borrower, in any court or before any governmental authority or arbitration board or tribunal that, if adversely determined, would materially adversely affect the properties, activities, prospects or condition (financial or otherwise) of the Local Borrower or the System, or the ability of the Local Borrower to make all Loan Repayments and otherwise observe and perform its duties, covenants, obligations and agreements under this Loan Agreement that have not been disclosed in writing to the Authority in the Local Borrower's application for the Loan or otherwise.

Section 3.4 **Compliance with Existing Laws and Agreements.** The authorization, execution and delivery of this Loan Agreement by the Local Borrower, the observance and performance by the Local Borrower of its duties, covenants, obligations and agreements hereunder and the consummation of the transactions provided for in this Loan Agreement, the compliance by the Local Borrower with the provisions of this Loan Agreement and the undertaking and completion of the Project will not result in any breach of any of the terms, conditions or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Local Borrower pursuant to any existing ordinance or resolution, trust agreement, indenture, mortgage, deed of trust, loan agreement or other instrument (other than the lien and charge of this Loan Agreement and any ordinance or resolution or indenture which authorized outstanding obligations of the Local Borrower which are on a parity with this Loan Agreement as to a lien on, or a source and security for, payment thereon from the source of payment that is pledged to the Loan Repayments) to which the Local Borrower is a party or by which the Local Borrower, the System or any of its property or assets may be bound, nor will such action result in any violation of the provisions of the charter or other document pursuant to which the Local Borrower was established or any laws, ordinances, resolutions, governmental rules, regulations or court orders to which the Local Borrower, the System or its properties or operations are subject.

Section 3.5 **No Defaults.** No event has occurred and no condition exists that, upon authorization, execution and delivery of this Loan Agreement or receipt of the amount of the Loan, would constitute an Event of Default hereunder. The Local Borrower is not in violation of, and has not received notice of any claimed violation of, any term of any agreement or other instrument to which it is a party or by which it may be bound, which violation would materially adversely affect the properties, activities, prospects or condition (financial or otherwise) of the Local Borrower or the ability of the Local Borrower to make all Loan Repayments or otherwise observe and perform its duties, covenants, obligations and agreements under this Loan Agreement.

Section 3.6 **Governmental Consent.** The Local Borrower has or will have obtained prior to the date of the Loan Closing all permits and approvals required to date by any governmental body or officer (and reasonably expects to receive all permits required in the future by any governmental agency) for the making, observance and performance

by the Local Borrower of its duties, obligations and agreements under this Loan Agreement or for the undertaking or completion of the Project and the financing thereof, and the Local Borrower has complied with all applicable provisions of law requiring any notification, declaration, filing or registration with any governmental body or officer in connection with the making, observance and performance by the Local Borrower of its duties, covenants, obligations and agreements under this Loan Agreement or with the undertaking or completion of the Project and the financing thereof; and the Local Borrower has complied with all applicable provisions of law requiring any notification, declaration, filing or registration with any governmental body or officer in connection with the making, observance and performance by the Local Borrower of its duties, covenants, obligations and agreements under this Loan Agreement or with the undertaking or completion of the Project and the financing thereof. No consent, approval or authorization of, or filing, registration or qualification with, any governmental body or officer, other than those already obtained or reasonably expected to be obtained, is required on the part of the Local Borrower as a condition to the authorization, execution and delivery of this Loan Agreement, the undertaking or completion of the Project or the consummation of any transaction herein contemplated.

Section 3.7 **Compliance with Law**. The Local Borrower:

(a) is in compliance with all laws, ordinances, governmental rules and regulations to which it is subject and the failure to comply with which would materially adversely affect the ability of the Local Borrower to conduct its activities or undertake or complete the Project or the condition (financial or otherwise) of the Local Borrower or the System; and

(b) has obtained, or will obtain as and when required, all licenses, permits, franchises or other governmental authorizations necessary for the ownership of its property or for the conduct of its activities which, if not obtained, would materially adversely affect the ability of the Local Borrower to undertake or complete the Project or the condition (financial or otherwise) of the Local Borrower or the System.

## **Article 4 Assignment**

Section 4.1 **Assignment and Transfer by Authority**. The Local Borrower hereby approves and consents to any assignment or transfer of this Loan Agreement that the Authority deems to be necessary in connection with the Clean Water Revolving Fund and Drinking Water Revolving Fund programs of the Authority.

Section 4.2 **Assignment by Local Borrower**. This Loan Agreement may not be assigned by the Local Borrower for any reason, unless the following conditions shall be satisfied: (i) the assignee shall be a governmental unit within the meaning of Section 141(c) of the Code or another entity acceptable to the Authority and the assignee shall have expressly assumed in writing the full and faithful observance and performance of the Local Borrower's duties, covenants, agreements and obligations hereunder; (ii) immediately after such assignment, the assignee shall not be in default in the performance or observance of any duties, covenants, obligations or agreements of the Local Borrower hereunder; and (iii) the Authority shall receive an opinion of counsel to the effect that such assignment will not violate the provisions of any agreement entered into by the Authority with, or condition of any grant received by the Authority from the United States of America relating to the Capital Grant Facility or any capitalization grants received by the Authority or the State under the Federal Water Pollution Control Act and the Federal Safe Drinking Water Act.

No assignment shall relieve the Local Borrower from primary liability for any of its obligations under this Loan Agreement and in the event of such assignment, the Local Borrower shall continue to remain primarily liable for the performance and observance of its obligations to be performed and observed under this Loan Agreement.

## **Article 5 Defaults and Remedies**

Section 5.1 **Events of Default**. If any of the following events occurs, it is hereby defined as and declared to be and to constitute an "*Event of Default*":

(a) failure by the Local Borrower to pay, or cause to be paid, when due any Loan Repayment;

(b) failure by the Local Borrower to make, or cause to be made, any required payments of principal, redemption premium, if any, and interest on any bonds, notes or other obligations of the Local Borrower for borrowed money (other than the Loan), after giving effect to the applicable grace period, the payments of which are secured by the Source of Repayment described in this Loan Agreement;

(c) failure by the Local Borrower to perform any duty, covenant, obligation or agreement on its part to be observed or performed under this Loan Agreement, other than as referred to in paragraphs (a) and (b) of this Section, which failure shall continue for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, is given to the Local Borrower by the Authority, unless the Authority agrees in writing to an extension of such time prior to its expiration, provided, however, that if the failure stated in such notice is correctable but cannot be corrected within the applicable period the Authority may not unreasonably withhold its consent to an extension of such time if corrective action is instituted by the Local Borrower and diligently pursued until the Event of Default is corrected;

(d) the institution of any proceeding, with the acquiescence of the Local Borrower, for the purpose of effecting a composition between the Local Borrower and its creditors or for the purpose of adjusting the claims of such creditors, pursuant to any federal or state statute now or hereafter enacted, if the claims of such creditors are payable from the Source of Repayment described in this Loan Agreement;

(e) a determination by the Authority that any material representation made by or on behalf of the Local Borrower contained in this Loan Agreement, or in any instrument furnished in compliance with or with reference to this Loan Agreement, is false or misleading in any material respect; and

(f) the filing of a petition by or against the Local Borrower under any federal or state bankruptcy or insolvency law or other similar law in effect on the date of this Loan Agreement or thereafter enacted, unless in the case of any such petition filed against the Local Borrower such petition shall be dismissed within thirty (30) days after such filing and such dismissal shall be final and not subject to appeal; or the Local Borrower becoming insolvent or bankrupt or making an assignment for the benefit of its creditors; or the appointment of a custodian (including, without limitation, a receiver, liquidator or trustee of the Local Borrower or any of its property including the System) by court order, or possession of the Local Borrower or its property or assets is taken if such order remains in effect or such possession continues for more than thirty (30) days.

Section 5.2 **Notice of Default.** The Local Borrower shall give the Authority prompt telephone notice of the occurrence of any Event of Default referred to in Section 5.1 paragraph (c) hereof, and of the occurrence of any other event or condition that constitutes an Event of Default, at such time as any senior administrative or financial officer of the Local Borrower becomes aware of the existence thereof. Any telephone notice pursuant to this Section shall be confirmed in writing by the end of the next Business Day.

### Section 5.3 **Remedies on Default.**

(a) Whenever an Event of Default referred to in Section 5.1 hereof shall have occurred and be continuing, the Authority shall have the right to take any action permitted or required pursuant to this Loan Agreement and to take whatever other action at law or in equity as may appear necessary or desirable to collect the amounts then due and thereafter to become due on their scheduled payment dates or to enforce the performance and observance of any duty, covenant, obligation or agreement of the Local Borrower hereunder, including, without limitation, appointment of a receiver of the System.

(b) Nothing in this Loan Agreement shall be construed to affect the Attorney General taking action to enforce this Loan Agreement in accordance with the Authority Act.

Section 5.4 **Attorney's Fees and Other Expenses.** In the event of a default hereunder by the Local Borrower, the Local Borrower shall on demand and to the extent not prohibited by applicable law pay to the Authority the reasonable fees and expenses of attorneys and other reasonable expenses (including without limitation the reasonably allocated costs of in-house counsel and legal staff) incurred by the Authority in the collection of Loan

Repayments or any other sum due hereunder or in the enforcement of performance or observance of any other duties, covenants, obligations or agreements of the Local Borrower to the extent permitted by law.

Section 5.5 **Application of Moneys**. The parties acknowledge that: (a) all amounts coming due hereunder as Loan Repayments shall be treated as principal and combined interest and fees with respect to the Loan which amounts are secured by a pledge of the Source of Repayment in accordance with Exhibit D of this Loan Agreement; and (b) amounts coming due under Section 5.4 hereof shall be secured by the Source of Repayment on a basis subordinate to the Loan Repayments, but on a parity with comparable expenses relating to such Outstanding Parity Obligations and Additional Parity Obligations.

However, any moneys collected by the Authority pursuant to Section 5.3 in the exercise of remedies with respect to amounts due or to become due hereunder shall be applied: (a) first, to pay any attorney's fees or other fees and expenses owed by the Local Borrower pursuant to Section 5.4 hereof, (b) second, to pay delinquent combined interest fees and late charges on the Loan; (c) third, to pay combined interest and fees then due and payable on the Loan; (d) fourth, to pay delinquent principal on the Loan in order of scheduled maturity; (e) fifth, to pay principal then due and payable on the Loan; and (f) sixth, to pay any other amounts due and payable pursuant to this Loan Agreement.

Section 5.6 **No Remedy Exclusive; Waiver; Notice**. No remedy conferred upon or reserved to the Authority hereunder is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity. No delay or omission to exercise any right, remedy or power accruing upon any Event of Default shall impair any such right, remedy or power or shall be construed to be a waiver thereof, but any such right, remedy or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority to exercise any remedy reserved to it as described in this Article, it shall not be necessary to give any notice, other than such notice as may be required in this Article.

Section 5.7 **Retention of Authority's Rights**. Notwithstanding any assignment or transfer of this Agreement pursuant to the provisions hereof, or anything else to the contrary contained herein, the Authority shall have the right upon the occurrence of an Event of Default to take any action, including (without limitation) bringing an action against the Local Borrower at law or in equity, as the Authority may, in its discretion, deem necessary to enforce the obligations of the Local Borrower to the Authority.

Section 5.8 **Default by the Authority**. In the event of any default by the Authority in any duty, covenant, agreement or obligation described in this Agreement, the Local Borrower's remedy for such default shall be limited to injunction, special action, action for specific performance or any other available equitable remedy designed to enforce the performance or observance of any duty, covenant, obligation or agreement of the Authority described herein as may be necessary or appropriate. The Authority shall on demand pay to the Local Borrower the reasonable fees and expenses of attorneys and other reasonable expenses in the enforcement of such performance or observance.

## **Article 6 Provisions Applicable to Loans Financed by or Pledged to Secure Authority Bonds**

Section 6.1 **General**. The Local Borrower acknowledges that the Authority is entering into this Loan Agreement and agreeing to make the Loan at this time for the benefit of the Local Borrower, and that the Authority may finance the Loan, along with other loans to other local borrowers, through the issuance of Authority Bonds and may pledge the Loan to secure Authority Bonds. If and for so long as the Authority's source of funds to make disbursements on, or to carry, the Loan represented by this Loan Agreement is, or becomes, the proceeds of Authority Bonds, or this Loan Agreement is assigned by the Authority as security for payment of amounts due or to become due on Authority Bonds, the Local Borrower agrees to cooperate with the Authority with respect to the issuance of Authority Bonds by furnishing and certifying information concerning the Local Borrower, the Project, the System and the Source of Repayment, and by agreeing to reasonable modifications and additions to this Loan Agreement necessary or convenient for the Authority Bond transaction. Without limiting the generality of the foregoing, the Local Borrower agrees that if the Authority at any time determines, in its discretion, that it is necessary in connection with the

issuance of Authority Bonds or the maintenance of the Authority's bond program, then the provisions set forth in this Article shall be in effect.

#### Section 6.2 **Tax Covenants.**

(a) **General.** The Local Borrower acknowledges that, in connection with its state revolving fund programs, the Authority issues its Authority Bonds from time to time to finance loans and the Authority also pledges certain loans to secure and to serve as the source of payment for the Authority Bonds. As a result, and under the provisions of federal tax law applicable to the Authority Bonds, it is in the Authority's interest for the Loan to qualify and be a Tax-Exempt Obligation that is not an AMT Obligation. Therefore, the Local Borrower represents and covenants as follows with respect to the Loan and the Authority Bonds. The Local Borrower covenants that it will not take any action, or fail to take any action, if any such action or failure to take such action would adversely affect the exclusion from gross income of the interest on the Loan or the Authority Bonds under Section 103(a) of the Internal Revenue Code or cause the interest on the Loan or the Authority Bonds to become an AMT Obligation, and in the event of such action or omission, it will, promptly upon having such brought to its attention, take such reasonable actions based upon a bond counsel opinion as may rescind or otherwise negate such action or omission. The Local Borrower will not directly or indirectly use or permit the use of any proceeds of the Loan or any other funds of the Local Borrower or take or omit to take any action that would cause the Loan or the Authority Bonds to be or become "arbitrage bonds" within the meaning of Section 148(a) of the Internal Revenue Code or to fail to meet any other applicable requirement of Sections 103, 141, 148, 149 and 150 of the Internal Revenue Code or cause the interest on the Loan or the Authority Bonds to become an item of tax preference for purposes of the alternative minimum tax imposed on individuals and corporations under the Internal Revenue Code. To that end, the Local Borrower will comply with all applicable requirements of Sections 103, 141, 148, 149 and 150 of the Code to the extent applicable to the Loan.

(b) **Modification Based on Bond Counsel Opinion.** Notwithstanding any provision of this Section, if the Local Borrower provides to the Authority a bond counsel opinion to the effect that any action required under this Section is no longer required, or to the effect that some further action is required, to maintain the exclusion from gross income of interest on the Loan or the Authority Bonds pursuant to Section 103(a) of the Internal Revenue Code, the provisions of this Section and the covenants in this Section shall be deemed to be modified to that extent.

(c) **Bond Counsel Opinion.** For purposes of this Article, "bond counsel opinion" means an opinion letter of a firm of attorneys of national reputation experienced in the field of municipal bonds whose opinions are generally accepted by purchasers of municipal bonds, and who is acceptable to the Authority.

Section 6.3 **Third Party Beneficiaries.** The Trustee, the owners from time to time of the Authority Bonds, any Credit Enhancer from time to time of the Authority Bonds and any underwriter of the Authority Bonds are each expressly acknowledged to be third party beneficiaries of this Loan Agreement and each representation, agreement, duty, obligation and provision of this Loan Agreement.

Section 6.4 **Additional Documents Relating to Authority Bonds.** The Local Borrower will furnish to the Authority and certify to such information and execute and deliver and cause to be executed and delivered such documents as the Authority, the underwriter or other parties to any Authority Bond transaction may reasonably require, including, without limitation:

(a) a certificate of an Authorized Officer of the Local Borrower to the effect that the information contained in the Final Official Statement (defined in Section 6.5, paragraph (a)) for the Authority Bonds concerning the Local Borrower is correct in all material respects and is an accurate summary of the information which it purports to summarize, and that nothing has come to the Authorized Officer's attention that would lead the Authorized Officer to believe that the information in the Final Official Statement relating to the Local Borrower contains an untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; and

(b) subject to the continuing disclosure requirements of Securities and Exchange Commission Rule 15c2-12 (the "Disclosure Rule"), a continuing disclosure undertaking of the Local Borrower meeting the requirements of the Disclosure Rule, and a statement of the Local Borrower as to whether it has failed to provide any information and

notices required by the provisions of previous continuing disclosure undertakings, if any, of the Local Borrower under the Disclosure Rule, and if it has not, describing the circumstances and status of such failure; and

(c) an appropriate certificate executed by Authorized Officer of the Local Borrower concerning the reasonable expectations of the Local Borrower as to the use of the proceeds of the Loan and such other matters as may be required on the part of the Local Borrower in order to ensure that the Authority Bonds are and will remain Tax-Exempt Obligations that are not AMT Obligations, and the Local Borrower covenants to comply with the provisions of such certificate; and

(d) such other certificates, documents and information, and supplemental opinions of Local Borrower's counsel, as the Authority, the underwriters of the Authority Bonds or other parties to the Authority Bonds transaction may reasonably require and as are necessary to confirm the continued truth and accuracy of information supplied by or on behalf of the Local Borrower.

#### Section 6.5 **Disclosure Regarding Authority Bonds.**

(a) The information, if any, relating to the Local Borrower (including without limitation the financial and statistical data contained therein) which has been furnished by the Local Borrower to be included in, and which is included in, a Preliminary Official Statement of the Authority (the "*Preliminary Official Statement*"), or a final Official Statement (the "*Final Official Statement*") of the Authority concerning any Authority Bonds, as of the respective dates of each such document and at all times subsequent thereto up to and including the Bond Closing, will be (if necessary by amendment provided by the Local Borrower) true and correct and will not contain an untrue statement of material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. To the extent permitted by law, and notwithstanding any other provision of this Loan Agreement, the Local Borrower will indemnify, save and hold harmless the Authority and each other local borrower, if any, included in the Final Official Statement, and each of such parties' respective agents, for, from and against any and all claims, damages, liability and court awards including costs, expenses and attorneys fees incurred as a result of any omission or misstatement of a material fact in the Local Borrower's information in the Final Official Statement, as it may have been supplemented or amended by the Local Borrower.

(b) The Local Borrower agrees that from the date of the Final Official Statement and for a period until not later than 25 days after the date of the Bond Closing if and so long as the offering of the Authority Bonds continues (i) the Local Borrower will furnish such information with respect to itself as the Authority (for itself or at the request of the underwriters of the Authority Bonds) may from time to time reasonably request and (ii) if any event shall occur as a result of which it is necessary, in the opinion of Bond Counsel to the Authority, or counsel for the underwriters of the Authority Bonds, to amend or supplement the information in the Final Official Statement relating to the Local Borrower in order to make such information not misleading in light of the circumstances then existing, the Local Borrower will forthwith prepare, and furnish to the Authority and the underwriters such information relating to the Local Borrower as may be necessary to permit the preparation of an amendment of or supplement to the Final Official Statement (in form and substance satisfactory to the Bond Counsel to the Authority and counsel for the underwriters) which will amend or supplement the Final Official Statement so that it will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in light of the circumstances then existing, not misleading.

(c) The Local Borrower agrees that if prior to the 25th day following the end of the underwriting period of the Authority Bonds, as defined for purposes of the Disclosure Rule, any event shall occur which causes the representations contained in Section 6.4, paragraph (a) to be false in any material respect, the Local Borrower shall promptly notify the Authority of such development, and if in the opinion of the Authority and the underwriters of the Authority Bonds such development requires the preparation of a supplement or an amendment to the Preliminary Official Statement or the Final Official Statement, the Local Borrower agrees to cooperate with the Authority and the underwriters for the Authority Bonds in preparing any such supplement or amendment in a form acceptable to such parties and to pay all reasonable expenses incurred by such parties in connection with the preparation thereof.

#### Section 6.6 **Assignment and Transfer by Authority to Trustee.**

(a) The Local Borrower expressly acknowledges that, other than the right of the Authority to be indemnified by the Local Borrower, all right, title and interest of the Authority in, to and under this Loan Agreement will be assigned to the Trustee as security for the Authority Bonds, as applicable, as provided in the Authority's Master Trust Indenture, and that if any Event of Default shall occur the Trustee, pursuant to the Authority's Master Trust Indenture, shall be entitled to act hereunder in the place and stead of the Authority. The Local Borrower hereby acknowledges the requirements of the Authority's Master Trust Indenture applicable to the Authority Bonds and consents to such assignment and appointment. The Authority shall retain the right to compel or otherwise enforce observance and performance by the Local Borrower of its duties, covenants, obligations and to be indemnified by the Local Borrower; provided, however, that in no event shall the Authority or the Trustee have the right to accelerate the payments under this Loan Agreement.

(b) The Local Borrower hereby approves and consents to any assignment or transfer of this Loan Agreement that the Authority deems to be necessary in connection with any refunding of the Authority Bonds or otherwise in connection with the Clean Water Revolving Fund and Drinking Water Revolving Fund programs of the Authority.

Section 6.7 **Conditions to Assignment by Local Borrower**. Notwithstanding Section 4.2, this Loan Agreement may not be assigned by the Local Borrower for any reason, unless the following conditions shall be satisfied: (i) the Authority, the Trustee and the Credit Enhancer, if any, of the Authority Bonds shall have approved said assignment in writing; (ii) the assignee shall be a governmental unit within the meaning of Section 141(c) of the Internal Revenue Code or another entity acceptable to the Authority and the assignee shall have expressly assumed in writing the full and faithful observance and performance of the Local Borrower's duties, covenants, agreements and obligations hereunder; (iii) immediately after such assignment, the assignee shall not be in default in the performance or observance of any duties, covenants, obligations or agreements of the Local Borrower hereunder; (iv) the Authority and the Trustee shall have received an opinion of bond counsel to the effect that such assignment will not adversely affect the exclusion of interest on the Authority Bonds from gross income for purposes of Federal income taxation under Section 103(a) of the Code or make the Authority Bonds or the Loan AMT Obligations; and (v) the Authority and the Trustee shall receive an opinion of counsel to the effect that such assignment will not violate the provisions of the Master Trust Indenture or any agreement entered into by the Authority with, or condition of any grant received by the Authority from, the United States of America relating to the Capital Grant Facility or any capitalization grants received by the Authority or the State under the Federal Water Pollution Control Act and the Federal Safe Drinking Water Act.

No assignment shall relieve the Local Borrower from primary liability for any of its obligations under this Loan Agreement and in the event of such assignment, the Local Borrower shall continue to remain primarily liable for the performance and observance of its obligations to be performed and observed under this Loan Agreement.

Section 6.8 **Sale or Other Disposition of Project or System**. The Local Borrower agrees that it will not sell, lease, abandon or otherwise dispose of all or substantially all or any substantial portion of the Project or the System unless (i) the transferee assumes the Local Borrower's obligations under this Loan Agreement in accordance with Section 6.6, (ii) the Authority shall by appropriate action determine, in its sole discretion, that such sale, lease, abandonment or other disposition will not adversely affect the Authority's ability to meet its duties, covenants, obligations and agreements under the Bond Documents, and will not adversely affect the eligibility of interest on Authority Bonds then outstanding or which could be issued in the future for exclusion from gross income for purposes of federal income taxation or cause such Authority Bonds to be AMT Obligations, and (iii) the Credit Enhancer, if any, of the Authority Bonds shall have given its prior written consent to such disposition.

Section 6.9 **Deficiencies Under Bond Documents Caused by Failure to Make Loan Repayment**. The Local Borrower acknowledges that payment of the Authority Bonds by the Authority, including payment from moneys drawn by the Trustee from the Bond Reserves or the CWRP Financial Assistance Account and DWRP Financial Assistance Accounts established under the Bond Documents, does not constitute payment of the amounts due under this Loan Agreement. If at any time the amounts on deposit in the Bond Reserves or the CWRP Financial Assistance Account and DWRP Financial Assistance Accounts shall be less than the amounts required by the Bond Documents as the result of any transfer of moneys from the Bond Reserves or the CWRP Financial Assistance Account and DWRP Financial Assistance Accounts which in turn is the result of a failure by the Local Borrower to make any Loan Repayments required hereunder, the Local Borrower agrees to (i) replenish such moneys so transferred, and (ii) replenish any deficiency arising from losses incurred in making such transfer as the result of the

liquidation by the Authority of investment securities acquired as an investment of moneys in the Bond Reserves or the CWRP Financial Assistance Account and DWRP Financial Assistance Accounts, by making payments to the Authority in equal monthly installments for the lesser of six (6) months or the remaining term of the Loan at a combined interest and fee rate to be determined by the Authority necessary to make up any loss caused by such deficiency, provided that the combined interest and fee rate payable on the Loan including such make-up combined interest and fees shall not exceed the maximum rate permitted by the Authorizing Proceedings which authorized this Loan Agreement.

Section 6.10 **Indemnification**. To the extent permitted by law, the Local Borrower shall indemnify, save and hold harmless the Authority against any and all claims, damages, liability and court awards including costs, expenses and attorney fees to the extent incurred as a result of any gross negligence or willful misconduct by the Local Borrower, or its employees, agents or subcontractors pursuant to the terms of this Loan Agreement.

Section 6.11 **Compliance with Master Trust Indenture**. The Local Borrower covenants and agrees to take such action as it may lawfully take and as the Authority shall reasonably request so as to enable the Authority to observe and comply with, all duties, covenants, obligations and agreements contained in the Master Trust Indenture insofar as such duties, covenants, obligations and agreements relate to the obligations of the Local Borrower under this Loan Agreement.

Section 6.12 **Provisions Relating to Default**.

(a) Any notice or information which the Local Borrower is to give to the Authority pursuant to the provisions of Article 5 shall also be given by the Local Borrower to the Trustee and to any Credit Enhancer at the same time.

(b) Notwithstanding the provisions of Section 5.3, paragraph (a) and Section 5.7, so long as a Credit Enhancer is not in default of its obligations with respect to its payment guarantee of the Authority Bonds and such guarantee is in effect, the Credit Enhancer shall have the right to direct the exercise of remedies provided for herein and the Trustee and the Authority shall not pursue any remedy except with the prior written consent of the Credit Enhancer.

(c) In the event of a default hereunder by the Local Borrower, the Local Borrower shall also pay the expenses of the Trustee and of any Credit Enhancer in the same manner as provided in Section 5.4 with respect to the expenses of the Authority.

Section 6.13 **Tax Compliance Certificate**. If the Authority Bonds are issued and sold on the basis that they are Tax-Exempt Obligations, an Authorized Officer of the Local Borrower shall deliver an appropriate certificate concerning the reasonable expectations of the Local Borrower as to the use of the proceeds of the Loan and such other matters as may be required on the part of the Local Borrower in order to ensure that the Authority Bonds are and will remain Tax-Exempt Obligations that are not AMT Obligations, and the Local Borrower covenants to comply with the provisions of such certificate.

## **Article 7 Miscellaneous**

Section 7.1 **Binding Effect**. This Loan Agreement shall inure to the benefit of and shall be binding upon the Authority and the Local Borrower and their respective successors and assigns.

Section 7.2 **Severability**. In the event any provision of this Loan Agreement shall be held illegal, invalid or unenforceable by any Court of competent jurisdiction, such holding shall not invalidate, render unenforceable or otherwise affect any other provision hereof.

Section 7.3 **Amendments, Supplements and Modifications**. This Loan Agreement may not be amended, supplemented or modified without the prior written consent of the Authority and the Local Borrower.

Section 7.4 **Execution in Counterparts**. This Loan Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 7.5 **Captions.** The captions or headings in this Loan Agreement are for convenience only and shall not in any way define, limit or describe the scope or intent of any provisions or sections of this Loan Agreement.

Section 7.6 **Further Assurances.** The Local Borrower shall, at the request of the Authority, authorize, execute, acknowledge and deliver such further resolutions, conveyances, transfers, assurances, financing statements and other instruments as may be necessary or desirable for better assuring, conveying, granting, assigning and confirming the rights and agreements granted or intended to be granted by this Loan Agreement.

Section 7.7 **State of Arizona Contract Provisions.**
