

TIP # 5 TREES & SHRUBS

Low water-use, drought-tolerant trees and shrubs are an essential part of a water-smart landscape. Choose from this list of approved very-low, low, and moderate low water use trees and shrubs or find even more options from the Arizona Dept. of Water Resources: www.azwater.gov

Trees

Common Name	Botanical Name
Arizona Cypress	Cupressus arizonica
Arizona Walnut	Juglans major
Desert Willow	Chipsis linearis
Velvet Ash	Fraxinus velutina
Western Hackberry	Celtis reticulate
Alligator Juniper	Juniperus deppeana
One-seed Juniper	Juniperus monosperma
Rocky Mountain Juniper	Juniperus scopulorum
Bristlecone Pine	Pinus aristata
Single-leaf Pinyon Pine	Pinus monophylla
Arizona White Oak	Quercus arizonica
Gambel Oak	Quercus gambelii
Emory Oak	Quercus emoryi
Bitter Cherry	Prunus emarginata
Scarlet Hawthorn	Crataegus coccinea
